GREETINGS:

Thank you for your inquiry about Michael Blum. Mr. Blum was disbarred by the Missouri Supreme Court on October 18, 2016 in Case No. 95595, and is no longer licensed to practice law.

At the request of the Office of Chief Disciplinary Counsel, we have been appointed by the Circuit Court as Trustees under Supreme Court Rule 5.26.

As Trustees our job is to attempt to find the files of Mr. Blum's clients and distribute the files that are found to each respective client so they can seek alternative counsel. As Trustees, this office does not provide representation or legal advice to any of Mr. Blum's clients.

If you have a case in active litigation, it is in your best interests to seek substitute counsel now. Sometimes file materials can be reconstructed in part from electronic case filing systems. If your case requires action before you have hired substitute counsel, you may wish to inform the Court or Administrative Body before whom you appear that Mr. Blum has been disbarred and you are seeking substitute counsel.

If you have financial claims for funds due to you from Mr. Blum, the Co-Trustees do not handle those claims. Instead, you may contact The Missouri Bar Client Security Fund at (573) 638-2233 or on-line at *http://missourilawyershelp.org/ethics/client-security-fund/* to submit a claim.

The review of Mr. Blum's client files is a time-consuming process. If your file is found, you will be contacted and arrangements made for you to take possession of the file. Please leave your contact information on the attached sheet so that, should your file be located, we can quickly contact you. If you want your file released to substitute counsel, please list your attorney on the mailing address.

Our staff has no other information to provide, so please do not ask.

Thank you for your patience as we work through this process.

Joseph W. Rigler, Attorney at Law

Hon. John D. Wiggins, Senior Judge
